

Full Stack Developer – US

Description

We are a fast-growing Enterprise Software company headquartered in Norwalk, CT, and has offices in Scottsdale, AZ, and Bangalore, India, delivering cutting-edge services and AI solutions to HigherEd and Enterprises in the US. As a member of our team, you shall collaborate closely with other developers and stakeholders to create innovative solutions for our customers. Our technology stack includes Cloud platforms, Bootstrap, JavaScript, PHP, etc. We follow Agile methodologies to quickly iterate and deliver creative solutions while enhancing our core product portfolio..

We are looking for a passionate, talented, and motivated Full Stack Developer to join our team in Norwalk, Connecticut, and help deliver high-quality technical solutions. If you're excited about working on the newest technologies and delivering value with a sense of ownership, then you should join us.

What you will do

- Write clean code that follows industry standards and best practices.
- Deliver high-quality and maintainable code using test-driven methodologies.
- Participate and contribute towards improving the development process and practices within the team and across the organization.

Minimum Requirements

- Bachelor's degree in computer science, software engineering, or equivalent
- 1-3 years Experience with standard web technologies, such as HTML, HTML5, CSS, CSS3, JavaScript, JQuery, AJAX, JSON, XML AngularJS, VueJS and ReactJS
- Knowledge and experience in building scalable Node.js applications.
- Must have a strong understanding of UI cross-browser compatibility, general web functions, and standards

P.S. We sponsor H1B visa and support H1 transfer if applicable

Applicants must be authorized to work in the U.S.. Graduate students with valid Employment Authorization are also encouraged to apply.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex national origin, disability, protected veteran status, or any other characteristic protected by law.

Your Right to Work – In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification document form upon hire.
