Salesforce Developer

Description

We are a fast-growing Enterprise Software company headquartered in Scottsdale, AZ and having offices in Norwalk, Connecticut and Bangalore, India. We deliver cutting-edge AI solutions to some of the top universities and enterprises in India and the USA. We built outstanding products to simplify site search and enable active conversations.

As a member of our team, you shall collaborate closely with other project managers, developers and stakeholders to create innovative solutions for our customers. Our technology stack includes Cloud platforms, NodeJs, Bootstrap, JavaScript, PHP, etc. We follow Agile methodologies to quickly iterate and deliver new features.

We are looking for a passionate, talented, and motivated Salesforce Developer to join our team and help deliver high-quality technical solutions. If you're excited about working on the newest technologies and delivering value with the sense of ownership, then you should join us.

Responsibilities

Responsible for designing and implementing new features and functionality, ensuring high-performance and availability, and managing all technical aspects of the CMS. Work closely with front-end developers and customers to ensure an effective, visually appealing, and intuitive implementation. Integration with open source modules.

Qualifications

- Experience in developing web solutions in Drupal and PHP implementations in a LAMP environment.
- Site-building experience including deep familiarity with Drupal modules such as CTools, Views, and Panels
- Experience creating custom Drupal modules
- Experience building responsive websites using Drupal CMS, HTML/HTML5, CSS/CSS3, and JavaScript/jQuery
- Knowledge of PHP, PHP files and theme functions, and knowledge of the Drupal theme layer
- Thorough understanding of the Software Development Lifecycle (e.g. Requirements, Design, Development, Testing) and exposure to Agile or iterative SDLCs
- 2-4 years of experience in Drupal development (samples of applications that you have worked on are required)

Job Benefits

The fun part – Enjoy the benefits of Paytm food wallet, Cult fitness, Uber, Metro commuting benefits, Movie pass, Vacation time off, and much more. Never miss an exciting Hackathon which has been conducted annually for creative minds to showcase their talent and innovate solutions for worldwide problems through technology.
